STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

Probably the most popular among the 356 – Porsche 356 Speedster from 1957

This icon was delivered to a US Army soldier on May 17, 1957, by the AMAG company in Switzerland. In the mid-1960s, the first owner, James E. Ross, took his Speedster to the United States, where it roamed the streets of Washington State until the late 1990s. Then the 356 went to Florida, where it was found and in 2016 finally brought to us.

We offer this Porsche 356A Speedster on behalf of the customer (VAT can be stated separately).

Appointments in the appointment hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
