# STORY OF THE MASTERPIECE

**MEET THE ORIGINALS** Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

One of 2,649 roadsters

This Porsche 356B T5 Roadster, originally delivered in Japan on January 12th, 1960, with its exterior in light ivory and red artificial leather interior was one of the most popular colour combinations of its time. These colours have turned out to be timeless and are still one of the most desired combinations.

We have just received this *racer*, which has definitely produced a lot of joy on various racetracks in recent years, with its original drive unit and are sure that we will not have to look long for a new home for it.

The vehicle is only sold with a restoration order from us.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
