STORY OF THE MASTERPIECE

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

Porsche Ur-911 of the first generation

Delivered in April 1965 by BRUMOS in Jacksonville, this Porsche 911 was a generation „0“. It had just been decided that the Porsche 901 could no longer be called like that. At the same time as it was decided that the Porsche 911 project should continue to exist, this sports coupe rolled off the assembly line in the USA to please its first owner in its original signal red colour with black interior.

The vehicle is fully matching numbers and can be bought from us with or without a restoration.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal “Porsche Appointment”.
