STORY OF THE MASTERPIECE

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

Golf blue is not just Gulf blue

This Porsche 911 SWB, which has an extraordinarily good substance, was delivered to us two years ago. At that time, we had a second vehicle in the same colour and from the same year under restoration. What could be nicer than working on two vehicles in parallel on which really everything is identical?

But as my grandfather always said: Life is not a request concert.

With this example, which belongs to a German company, the operating conditions have changed and the restoration has never started. After two years of waiting, we now have the approval to offer this gem on behalf of customers. With or without a restoration order – this Porsche 911 SWB is looking for a new owner. The VAT can be reported.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
