STORY OF THE MASTERPIECE

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

Porsche 911 SWB Coupe

This Porsche 911 sports coupe was delivered on December 8th, 1966 in its original colour light ivory in the USA. Its typical aluminium inserts in the dashboard were a feature of the successor generation of the original model and the 1967 model year. With its wooden steering wheel, which was designated as a special request, its chrome perforated disc wheels and its black interior, it can be described as an absolute classic

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
