STORY OF THE MASTERPIECE

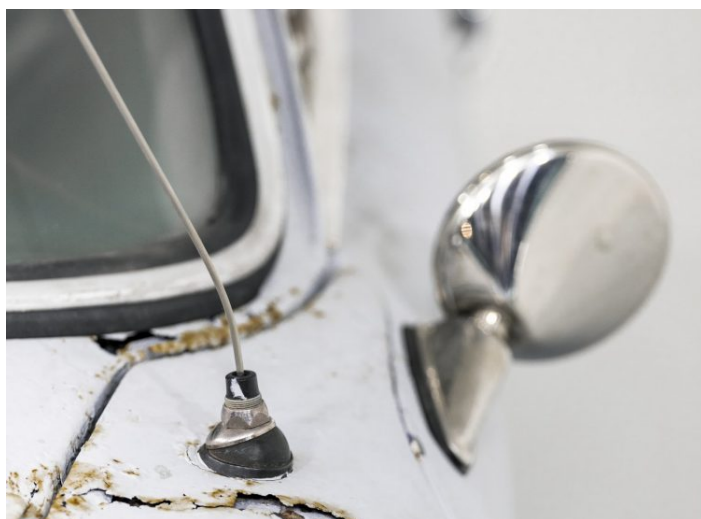

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

We imported this Porsche 911S from the „zero“ series in 2015 from Florida. A collector's item should not be missing in any selected collection. Classic with a white exterior and black interior, it is still one of the most sought-after SWB Porsches. The vehicle can be bought from us with or without a restoration order.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
