STORY OF THE MASTERPIECE

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

If you like it original, this is the right place for you!

We have had this Porsche 911 in our halls for several years. Actually too beautiful to restore – but almost everyone wants a perfect vehicle and no patina.

This candidate, however, literally cries out to only get a light restoration. Its interior is patinated like we have seldom seen it. The same applies to its chrome and also 80% of its outer skin.

Our recommendation:

Revise drive unit, revise technology, replace chassis, underbody and partial ice blasting to remove rust, repaint the vehicle (if desired).

After that, it would be a perfect daily driver

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal “Porsche Appointment”.
