STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

This Porsche 356C only had one owner in its lifetime. When Dale Rothenberger was 23 years old, he bought the car from Brumos Porsche in Florida / USA. At the beginning of the 1970s, Dale began collecting newspaper clippings and invoices down to the original service book. He has driven his car for roughly 51 years and made the streets of Florida happy with this beautiful signal red 356 Coupé.

In 2015 the time had come and he separated from his Porsche.

After we had the honour to restore the car, it is now for sale and looking forward to its new home – hopefully again as long as Dale kept care of it!

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
