# STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

## One of the first 600 Porsche 911, first delivery in Dortmund

This Ureifer was delivered on March 4th, 1965 in Dortmund by the Hülpert company to Werner Straube GmbH and is, therefore, one of the first 600 Porsche 911s ever delivered.

The vehicle remained in Germany until the end of the 1970s before it left Germany with the second owner for unknown reasons and was exported to the USA.

There he had his 911 converted into an off-road Porsche by the company BUTLER ASSOCIATES in the 1980s. Fortunately for us, he kept all the original parts in order to be able to retrofit the vehicle at any time.

We found the vehicle for a customer in 2015 and imported it from the USA. In almost 2000 working hours, we paid special attention to the smallest details and their authentic restoration in order to resurrect this Porsche 911.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
