STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

This rare Porsche 911S in the slate grey original colour was delivered on September 19, 1966 (Ferry Porsche's birthday) in Teaneck / USA and therefore has one of the desired 305 XXX chassis numbers!

The name of the first owner was Dr Georg Heimbach, captain of the US Air Force Medical Corps, who owned this sports coupe for more than 25 years before selling it to a doctor friend in 1992. He kept this sports coupe for a few years before it changed hands again in early 2000.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal "Porsche Appointment".
