# STORY OF THE MASTERPIECE

FOUR WHEELS - ONE ENGINE and that little something extra. Get on board and start the next season together with your individual driving dream. This masterpiece withstood our qualified testing process, shines with a unique setup and is ready to go "on the road"!

We imported this Porsche Carrera Targa from 1988 from the USA and subjected it to a complete overhaul. It got a new interior, a new paint job, chassis and technology were overhauled, and the engine was given a major service.
