STORY OF THE MASTERPIECE

EXCLUSIVITY AND PRESSION
IS OUR DRIVE

MEET THE ORIGINALS Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

This Porsche 911S Softwindow Targa was one of 300 vehicles delivered in Europe, more precisely it came from Stuttgart and was delivered by Hahn GmbH. Besides the fact that it has its original, matching numbers 160HP engine, this vehicle was finished with a special paint job.

We have already restored the two following vehicles that rolled off the assembly line, directly behind this gem. So we just call it „fate“ that we are allowed to restore one of these rare Porsche Targas of the first generation.

Appointments in the Appointment Hall take place exclusively by appointment. This is how we ensure that you feel well looked after and advised during your personal “Porsche Appointment”.
