STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

One of Only 28 Carrera 2 Cabriolets with Factory Hardtop

This extremely rare **Porsche 356 B Carrera 2 Cabriolet** is one of just **28 examples** originally delivered with a factory hardtop – in addition to the standard Reutter folding roof. The hardtop features its **original black lining and opening rear quarter windows**.

Delivered in **June 1962 in Slategrey (6201)** to D'Ieteren in Brussels, the car later went to California, then into a prominent Japanese collection before returning to Europe in the 1990s. It was subsequently owned by a German collector of 4-cam Porsches and **expertly maintained**.

The car participated in events such as the **Tour d'Auto** and **Coupe des Alpes**. Despite having a FIA pass, there is **no evidence of accident damage**, either visible or documented.

Comprehensive Restoration Completed (from 2020)

Due to private reasons, this collector's item is now offered on **consignment**.

The extensive restoration included:

Full assessment and disassembly

Acid-dip stripping and bodywork

Repaint in original **Slategrey (6201)**

New interior

Engine rebuilt by Wolfgang Reile

Final assembly

The restoration was **thoroughly documented** and overseen by a **certified appraiser**. A detailed vehicle history is fully available.
