STORY OF THE MASTERPIECE

Classic car restoration is our passion, perfection is our claim. As enthusiasts of historic vehicle restoration, we awaken the splendor of bygone times and ensure an unforgettable driving experience with our craftsmanship.

Just one of one. Yours.

We do not manufacture just any Porsche, but YOURS. The individual design of a VE-Outlaw makes each copy unique. With the highest level of workmanship and love of numerous details. Wonderful surfaces and a sensational feel make this vehicle really extraordinary. You are part of the design and conception of the new structure right from the start. After all, this Porsche is not just a one-off, it is a statement. Your statement.

The vehicle in detail

With or without a base vehicle, we can build you the 911 you've been dreaming of for a long time. We give you the opportunity to reconfigure your classic air-cooled 3.0 / 3.2L Porsche and equip it according to your wishes. As with a new car, you can choose everything according to your wishes, from the exterior colour to countless materials and colour designs in the interior to modern gadgets that make your 911 arrive in the modern era. Everything is possible with us. The only limit for us is the approval capability of the desired components.

The vehicle shown here is a reference vehicle that has been sold. We would be happy to discuss and configure your personal Vehicle Experts Outlaw in a relaxed atmosphere in our Appointment Hall.
