# STORY OF THE MASTERPIECE

**MEET THE ORIGINALS** Unique driving pleasure is our passion. As the co-driver of your vision, we will gradually weld you closer to your individual dream car and breathe new life into it in our Porsche factory.

German sunroof coupe is available.

In our opinion, the accident-free body has not been spared the ravages of time. And after a brave 266,000 kilometers, the silver-blue gem has also earned a break and is therefore waiting in Parndorf for a new owner who will start the exciting journey of converting it into a 3.2F Outlaw.

The untouched base vehicle can be viewed and discussed in our Appointment Hall. Thanks to our new Outlaw configurator, we can configure your ideas in countless variations according to your mood and, above all, personal taste. We forget mainstream role models and focus solely on your taste and build your air-cooled masterpiece. The only limit we set ourselves is the legality in road traffic.

We would be happy to discuss and configure your personal Vehicle Experts Outlaw in a relaxed atmosphere in our Appointment Hall.
