STORY OF THE MASTERPIECE

FOUR WHEELS - ONE ENGINE and that little something extra. Get on board and start the next season together with your individual driving dream. This masterpiece withstood our qualified testing process, shines with a unique setup and is ready to go "on the road"!

This masterpiece is the counterpart to the Agablauer RST, which was completed in autumn 2022 and which we built for two entrepreneur friends.

Like its blue brother, this original Carrera 2 Targa was cared for and cared for for around a year and occasionally carried out. Around 2,700 kilometers have been accumulated during this time, bringing the total mileage since our backdating treatment to 3,243 km.

The Targa's interior features the finest black Nappa leather, mixed with classic Pepita and gray Bouclé.

This beautiful, classically configured Porsche 964 RST is now being offered by us
