# STORY OF THE MASTERPIECE

**FOUR WHEELS - ONE ENGINE** and that little something extra. Get on board and start the next season together with your individual driving dream. This masterpiece withstood our qualified testing process, shines with a unique setup and is ready to go "on the road"!

This beautiful Porsche 993 Coupé with fabulous equipment from a German first delivery has just arrived.

The 993 with its 3.6 liter six cylinder boxer delivers 272 hp and, thanks to the upgrade to a 6-speed gearbox, can be moved perfectly and confidently through any road condition.

Inside, the new owner can expect a subtle „classic gray“ leather interior.

More information on the history of the vehicle coming soon
